radiant Collection

radiant® Wall Plate Insert

Part No. 326RDB

Cover empty electrical boxes without compromising style, with a sleek Wall Plate Insert. Perfect for filling in unused openings from outdated cables or data jacks, while perfectly coordinating with the designer switches and outlets from the radiant® Collection. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Add an aesthetic touch while covering electrical boxes you no longer use.

Attaches to electrical box with mounting straps.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.
